

*From Your Heart to the Heart of the Student to the Heart of the Patient*

Dear Physician,

Imagine for a moment the opportunity to be instrumental in helping a medical student with his or her quest to become a physician. The Jason Madachy Foundation is a 501-C3 non-profit organization established to help make this possible. Our ultimate goal is to purchase stethoscopes for every first-year medical student throughout the United States, and we would like to invite you to help us by making a donation!

The foundation's namesake, Jason Madachy, was a caring, giving person with a passion for medicine and social contribution who left a legacy of helping others. Jason tragically lost his life just prior to starting medical school at Marshall University in the summer of 2007. Jason's passion for life and caring attitude continues to inspire us to make a positive impact through future doctors.

As a physician, you know well the importance of the stethoscope, and probably remember receiving your first stethoscope as you began medical school. We hope that by providing this essential tool to future physicians we will inspire them to strive to always do their best – to “Excel in Leaving a Mark.”

We are asking you, a physician, to extend a helping hand to a medical student and future colleague by making a donation of at least \$150 that will be used to purchase a stethoscope. This stethoscope will be engraved with the phrase, “Excel in Leaving a Mark”, and then given to a first-year medical student at the school of your designation. Additionally, a card containing the donor's information is included with each stethoscope for recognition purposes.

Please take a moment to consider making a donation and to review our foundation's informational brochure included with this letter. To donate a stethoscope, simply complete the “Adopt A Scope” portion and return it to the address provided. For more information about the foundation or our mission, please contact us or visit [www.jasonmadachyfoundation.org](http://www.jasonmadachyfoundation.org).

Thank you in advance for your kind consideration of this request and we look forward to hearing from you soon!

Sincerely,

Member, Jason Madachy Foundation
