*Imagine for a moment the opportunity to be instrumental in helping medical students with their quest to become doctors. Our foundation is a 501-C3 non-profit established to purchase stethoscopes for first year medical students across the United States.*

***A donation of \$150 can do just that.***

*What If...*

*... Saves The Life of Someone You Love*

*We would like you to know the meaning of our logo. The stethoscope, positioned in the shape of a human heart, is the most recognizable and iconic tool of a physician and is the instrument by which physicians all over the world have and continue to touch the hearts of their patients. The phrase, “Excel in Leaving a Mark,” is a reminder of what we all strive for in life. May this reminder challenge us to do our best and be our best in all that we do.*

***From Your Heart to the Heart of the Student
